RMCG Burn Boss Meeting

Boulder, CO

2006

Is There a Need?

- This topic was brought up at last year's meeting, so there is a real need.
 - IFPM Qualifications
 - Job/Organizational Related Needs
- If there a role for the RMCG F&FU Committee in this?

Potential Options

- Use committee to prioritize interagency trainee list – post on website for people to access.
- Emphasize using trainees on all RX fires.
- F&FU to work with Training Committee to come up with other options.

We Need Your Help

- What options do you see?
- Where do we want/need to go?
- What role can the F&FU Committee play?

Thanks
